

THE GREATER CHERNOBYL CAUSE COMPETITION!!! ART, POETRY & WRITING

Almost 30 years ago, on April 26th 1986, a catastrophic accident at the Chernobyl Nuclear plant in Ukraine devastated the lives of the local people forever.

To mark the 30th anniversary, this competition is being launched in conjunction with the Department of Education. We are asking 4th, 5th and 6th class students to submit *an essay, a poem or a drawing* that reveals their thoughts on nuclear history and the Chernobyl disaster. **The competition opens on April 6th** and entries should be submitted via the school either online or by post **no later than June 1st**. Details for both web address and postal address are below.

There will be 1 overall winner in each category- best essay, best poem and best drawing. The prize for each winner is two nights B&B and 1 evening meal in the four star River Lee hotel in Cork for 2 adults and 2 children and a family pass to Fota Wildlife Park.
